WELCOME TO RAJA AMPAT ON NATARAJA | DAY 1

The crew of Nataraja will welcome you at your hotel or at the airport, taking you to travel on board Nataraja. The yacht is waiting for you in the harbor at Sorong. Once boarded, there will be a yacht tour and a safety briefing, you will then settle into your new home for the week. Nataraja will depart Sorong whilst you feast on a delicious lunch and cruise towards our first snorkeling spot. Here we will spend some time exploring the beautiful reefs and white sand beaches. Later, it's time to relax and cruise overnight toward the South.

DIVING IN DARAM | DAY 2

Your first day in the south of Raja Ampat on Nataraja begins by waking up in the Daram Islands, the most easterly island chain in the area. Now it's time to dive and snorkel at some of the most amazing spots - Warna Berwarna, Andiamo and Candy Store. Andiamo is teeming with schools of fusiliers, trevalleys, sweetlips and barracuda. Candy Store is aptly named for its soft, colorful corals and huge sponges decorating the reef. We explore the area by day and then in the evening we venture further south.
