HELLO BEYOND

Amed · East Bali

Set along Bali's quiet eastern coast, Amed is a place shaped by sea, mountain, and tradition. Black volcanic beaches meet calm waters, while Mount Agung rises silently behind village life.

Far removed from Bali's busier regions, Amed moves at a slower rhythm — fishing boats at sunrise, offerings along the shore, and evenings guided by the sound of waves and temple bells.

Beneath the surface, vibrant coral reefs and iconic shore dives make Amed one of Bali's most rewarding diving and snorkelling destinations, without the crowds. On land, rural paths, temples, and hillside views offer a deeper connection to the island's living culture.

Amed invites presence rather than pace — a quiet place to experience Bali as it once was, and still is.

Your Three-Bedroom Villa

Designed for shared journeys and unhurried living, the three-bedroom villa offers a private retreat where space, comfort, and simplicity come together.

Each bedroom is thoughtfully positioned to provide privacy, with open living areas that invite guests to gather — whether for long breakfasts, afternoon rest, or evenings spent together as the day fades.

Set within a tropical garden, the villa centres around a private swimming pool, with shaded outdoor spaces for quiet moments and open-air dining. Indoors, natural materials and soft textures create a relaxed atmosphere that reflects the surrounding landscape rather than competing with it.

This villa is ideal for families, friends, or small groups seeking a slower pace — a place to return to after days spent exploring East Bali's coastline, villages, and underwater world. A home designed not just to stay in, but to settle into.

Room & Villa Amenities

Each en-suite bedroom is designed for comfort and privacy, featuring quality linens, soft natural textures, air conditioning, ceiling fans, and ample storage. Bathrooms are fitted with hot-water showers, fresh towels, and locally sourced toiletries for everyday ease.

The villa's shared spaces are designed for relaxed living, with an open-plan kitchen and living area that opens onto the pool terrace and garden. Outdoors, a shaded gazebo provides a quiet place to rest or gather, while the barbecue area is ideal for informal, open-air dining.

Daily housekeeping ensures the villa remains fresh and welcoming throughout your stay, allowing guests to settle in and enjoy East Bali at an unhurried pace.
